Unlocking Elevated Experiences

German Precision - Indian Enterprise

www.salzgitterlifts.com

Dear Customer,

It is with great pleasure that I reach out to you today as the Managing Director of Salzgitter Lifts Pvt. Ltd. As we continue to chart our course in the dynamic landscape of vertical transportation, I am excited to share our vision and aspirations with you.

At the core of Salzgitter Lifts, we envision a future where innovation, collaboration, and customer success converge. Our mission is not merely to provide products or services; rather, we are committed to cultivating lasting partnerships that drive mutual growth and prosperity.

Our Vision in Action:

1. Innovation as a Cornerstone: Our products and services are designed to evolve with the ever-changing needs of our customers.

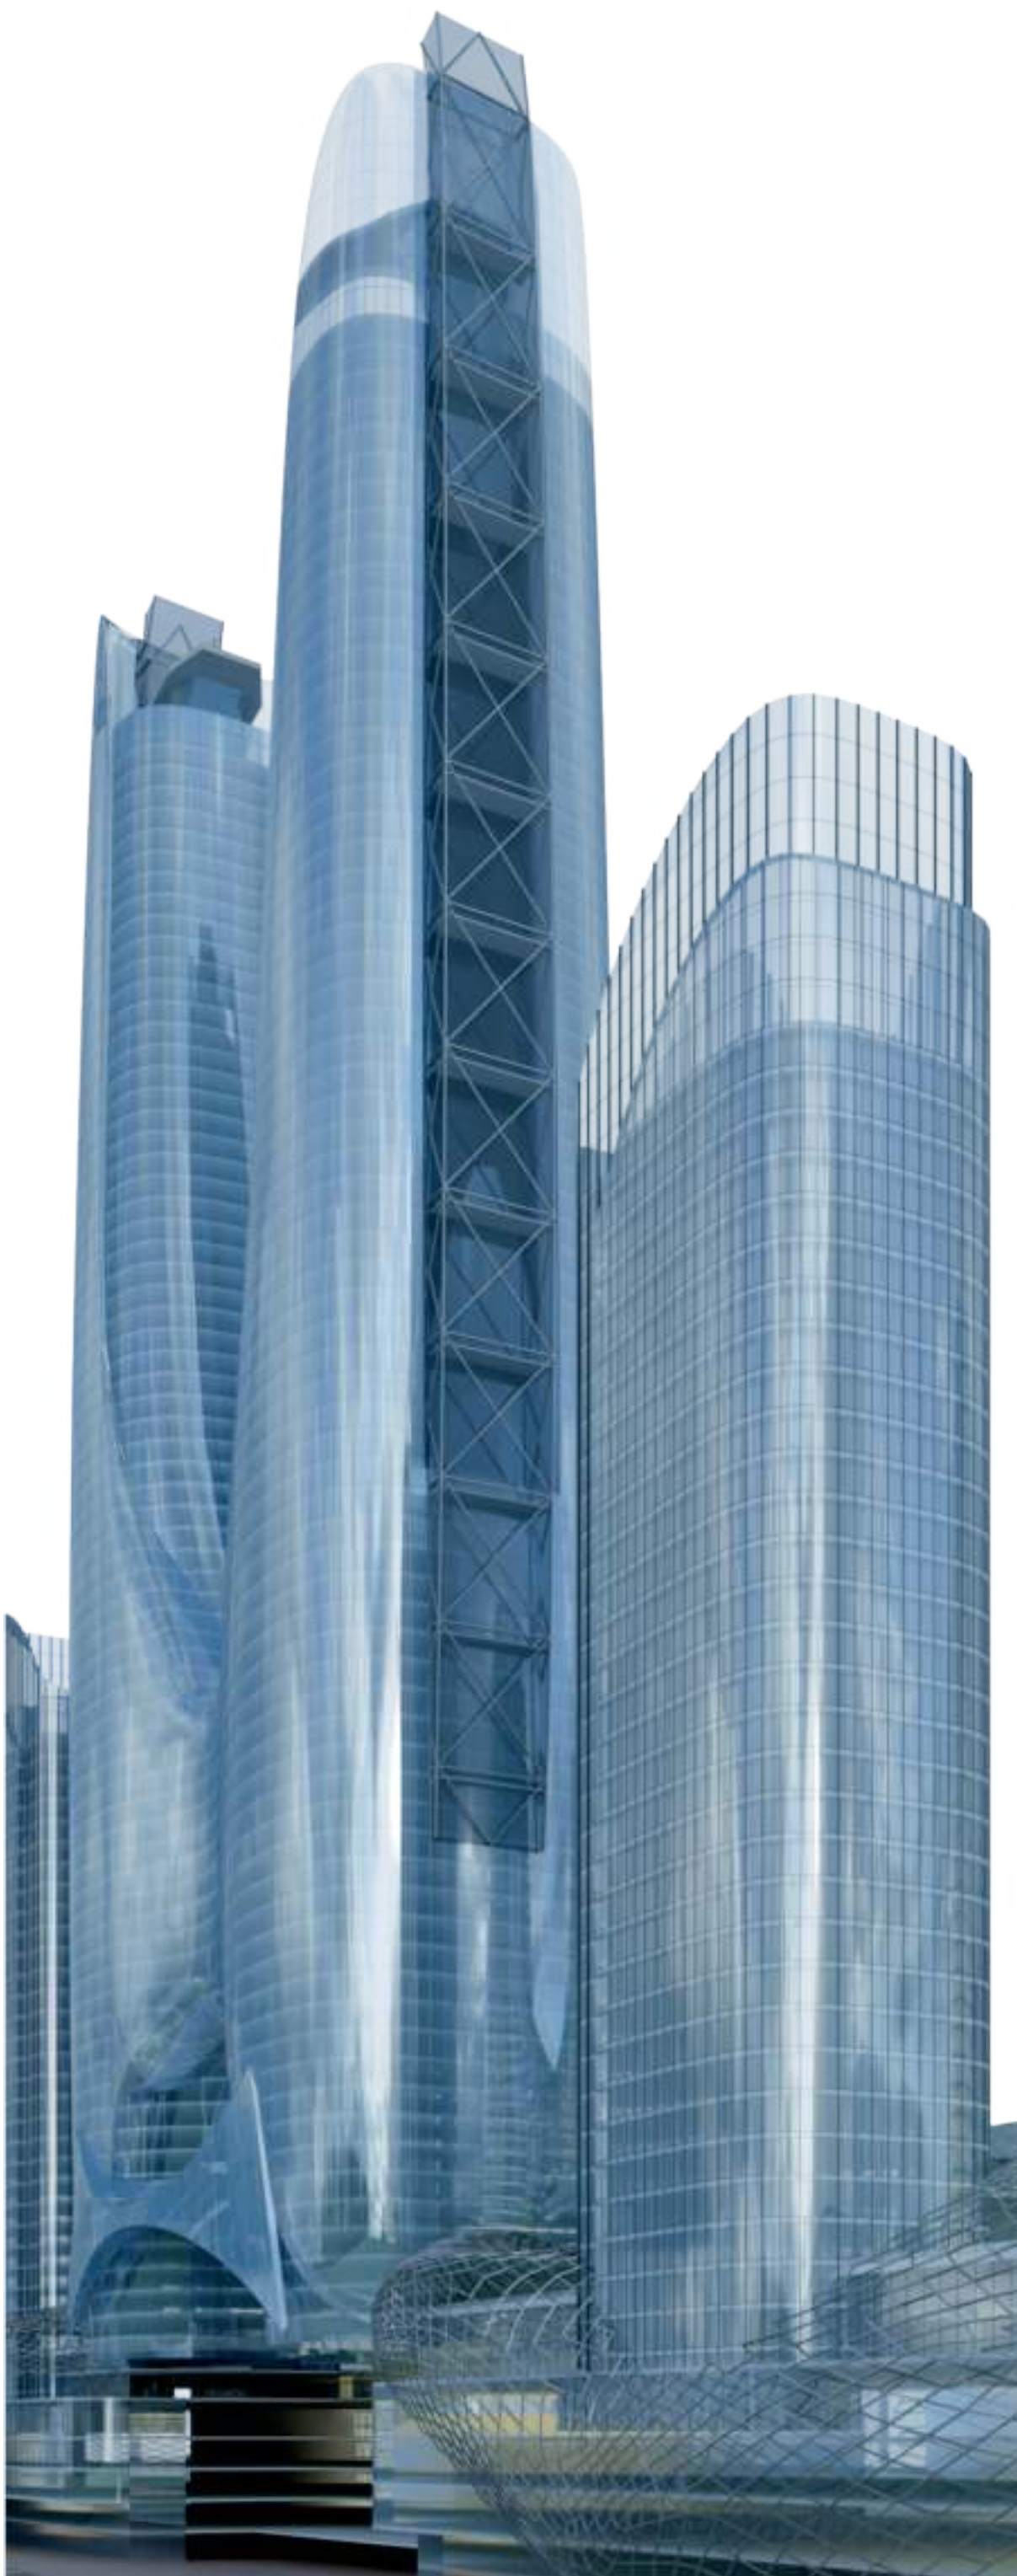

2. Customer-Centric Excellence: Your success is paramount to us. Your challenges fuel our determination to find solutions that elevate your experience.

3. Sustainability and Social Responsibility: As a part of our vision, we are committed to minimizing our environmental impact and making positive social contributions including but not limited to empowering women.

I invite you to explore the possibilities that await you with Salzgitter Lifts. Our team is ready to collaborate, innovate and drive success together.

Bindu Reddy
Managing Director

Your Vertical Mobility Experts

Salzgitter is a leading lift manufacturer located in the vibrant city of Hyderabad. With a wealth of experience accumulated **over 30 years**, our products have been designed with a harmonious blend of style and affordability, propelling us to the forefront as a **premier elevator company in Telangana**.

At Salzgitter, we take immense pride in our commitment to delivering exceptional quality, designs and service. Our team of skilled designers and engineers work tirelessly, harnessing **state-of-the-art technology** keeping up with the latest advancements in the industry.

Our extensive range of lifts caters to diverse needs and settings, be it residential or commercial.

While numerous companies manufacture lifts in the regions of Telangana and Andhra Pradesh, Salzgitter stands tall as the undisputed leader, celebrated for its steadfast commitment to **superior quality and service**.

Welcome to a world where elevating experiences is our passion, and your satisfaction is our ultimate goal.

WHO WE ARE

A Legacy of Engineering Ingenuity

Embarking on its journey **in 1994**, Salzgitter emerged as an industry leader in Hydraulics in India leaving an indelible mark on the landscape of industrial automation in several sectors **like Coal Mines, Steel, Power.**

Fueled by an exceptional in-house engineering team, Salzgitter harnessed its decades of expertise to redefine the realms of vertical transportation. We began our journey with a dream to provide the best vertical solutions for our consumers.

We set a new benchmark in the industry by combining our design prowess, superior manufacturing capabilities, seamless commissioning, and exceptional after-market support.

With us, you gain a reliable partner committed to elevating your experience at every step of your elevator journey. Experience the Salzgitter Lifts advantage and elevate your expectations.
